

# The Brian S. McCarthy Memorial Foundation

## S.T.E.M. Champion

Part of the mission of the Brian S. McCarthy Memorial Foundation is to recognize an individual or group within the Nashua Community for their commitment to S.T.E.M. education and advocacy.

S.T.E.M. advocates and promotes the use of **Science**, **Technology**, **Engineering** and **Math** to solve problems, nurture critical thinking skills, enhance scientific literacy, and cultivate the next generation of trailblazers and problem solvers to advance society in a host of areas, including but not limited to sustainability and the environment.

## Reason For Nomination

**Explain why your nominee deserves this award.** Please describe the nominee's work in S.T.E.M. education and/or outreach. Discuss the capacity or role in which the nominee has served, who they interact with and what **specifically** they are doing to promote STEM in our community.

Please consider using the following criteria:

**\*\*Innovation and Creativity\*\***: Demonstrates innovative approaches in promoting S.T.E.M. education and engagement, such as developing unique programs or initiatives.

**\*\*Collaboration and Partnerships\*\***: Collaborates effectively with schools, businesses, nonprofits, or government entities to enhance S.T.E.M. opportunities and resources.

**\*\*Education and Mentorship\*\***: Provides meaningful educational experiences or mentorship that encourages interest and participation in S.T.E.M. fields among youth and adults.

**\*\*Inclusivity and Diversity\*\***: Promotes inclusivity and diversity within S.T.E.M. by actively engaging and supporting individuals from all backgrounds and demographics.

**\*\*Public Engagement and Communication\*\***: Effectively communicates the importance and benefits of S.T.E.M. education to the public through outreach activities, media, or public speaking engagement.
